

APEC Framework of Strengthening Regional Economic Integration

Chen Chao
Ministry of Commerce, China
Beijing, September 8, 2014

Overview

I. Briefing on APEC 2014

II. Proposed REI Framework

III. Roadmap towards an FTAAP

Theme and Priorities of APEC 2014

Shaping the Future through Asia-Pacific Partnership

**Advancing
Regional
Economic
Integration**

**Promoting Innovative
Development,
Economic Reform and
Growth**

**Strengthening
Comprehensive
Development in
Infrastructure and
Connectivity**

Why advancing REI as a priority?

Doha Round is faced with difficulties

Regional RTAs/FTAs has been developing rapidly

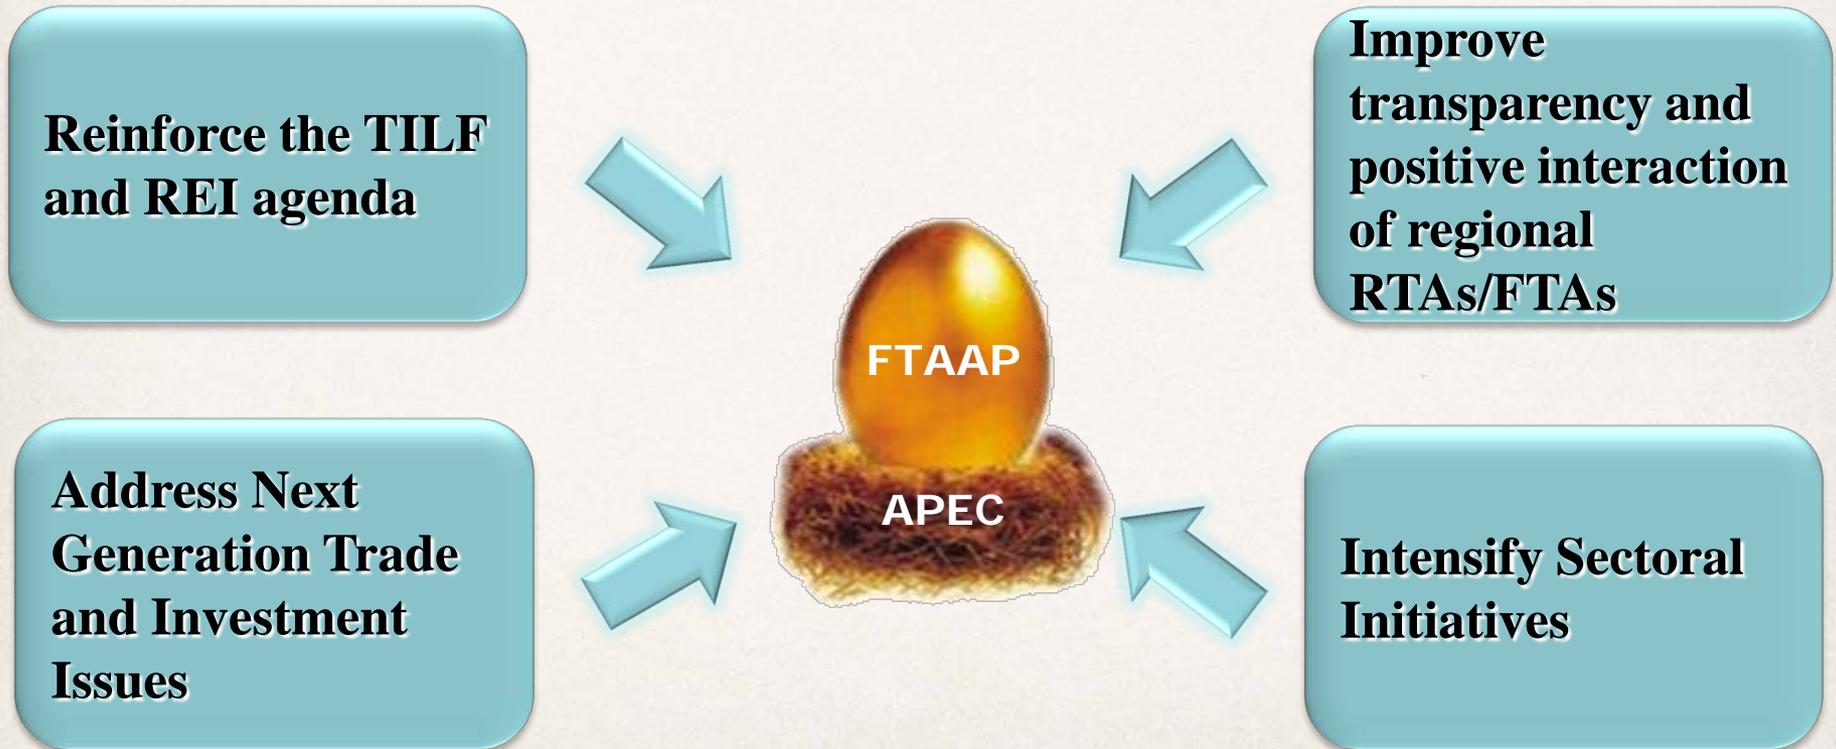

Spaghetti Bowl effect, exclusiveness need to be tackled

Development of Global Value Chain provides new impetus to achieving Bogor Goals

**Reinforce APEC
REI Agenda**

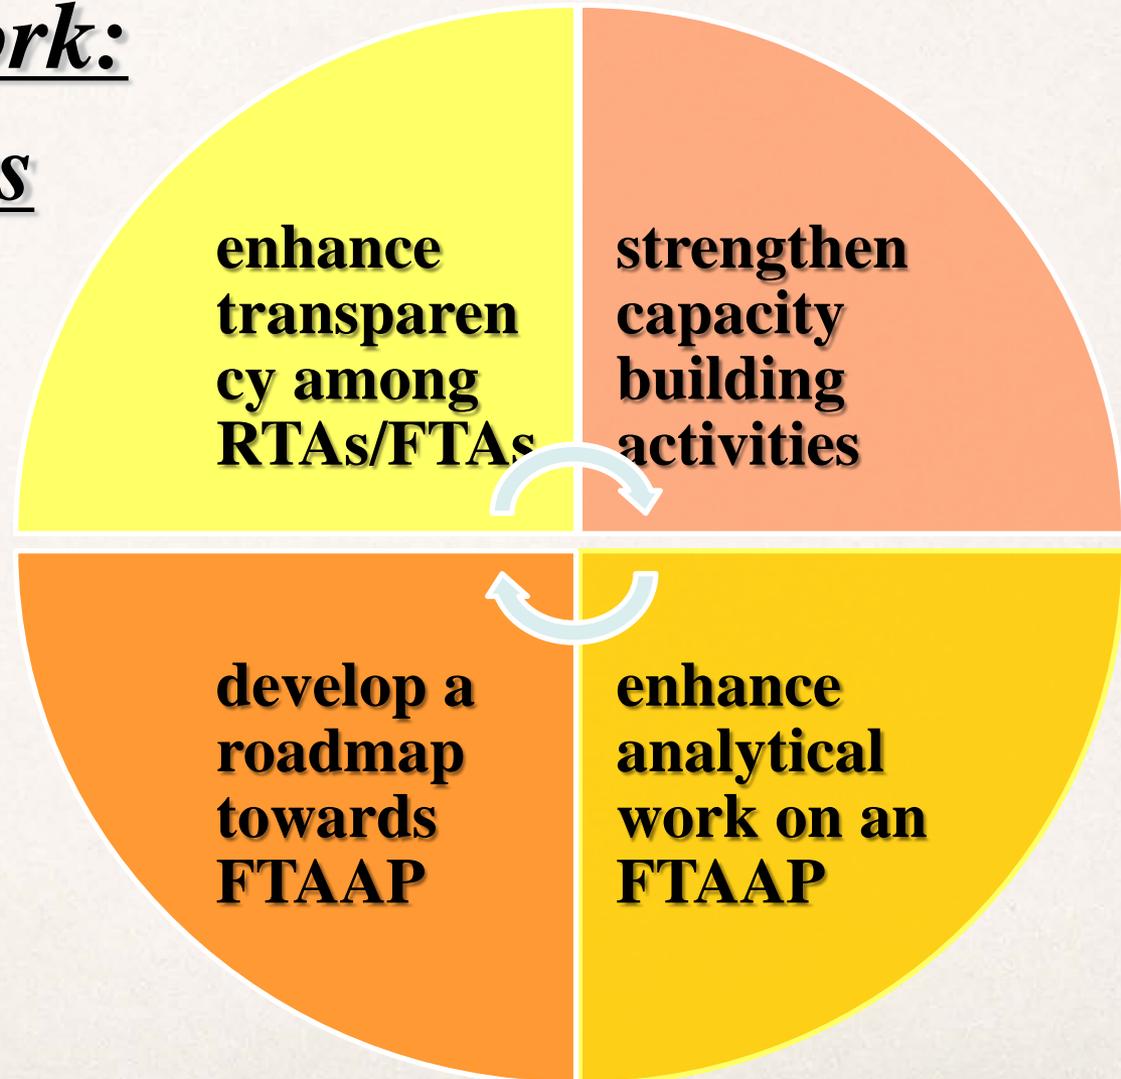

**Respond to
New Situation**

Explore a Framework to advance REI

REI Framework:

Main Pillars

What we have achieved in 2014?

- Established CTI FotC Group on Strengthening REI and Advancing FTAAP.
- Kicked off and advance an FTAAP in a comprehensive and systematic manner.
- Established APEC Information Sharing Mechanism on RTAs/FTAs.

- Agreed to assess the outcomes of the 1st CBNI Program and commence the work to develop a 2nd CBNI action plan framework
- Agreed to enhance analytical work on an FTAAP
- Agreed to develop a *Roadmap for APEC's Contribution to the Realization of an FTAAP* in 2014

Roadmap for APEC's Contribution to an FTAAP

- Strengthen APEC's role as incubator of an FTAAP
- Provide guidance and advance FTAAP in a more systematic and pragmatic manner
- Identify timeframe, steps, principles towards an FTAAP and its relation with regional RTAs/FTAs, the Bogor Goals, WTO, etc.

Roadmap for APEC's Contribution to an FTAAP
