

Stephane Michel

Stephane Michel is an accomplished C-Level International business leader with over 30 years in the Asia-Pacific region. He has held key advisory positions with leading family offices in their global holdings, as well as senior strategic leadership roles and board seats with several private or publicly listed companies through extensive experience in International public affairs, new market entry, international crisis management, strategic international expansion and international luxury hospitality and development.

Stephane is currently Chairman for Asia and Oceania at the Mexican Council for Foreign Trade (COMCE) and President of Valanti, an Asia-based investment and luxury development group with a portfolio of multinational assets and interests. He previously led Midera, an international consulting group, as Managing Director where he advised companies around the world (APAC, MEA, EU, Americas) for almost two decades on various aspects of their international operations and also held C-Suite positions in various private and publicly listed companies. In addition Stephane was previously Chairman of the ASEAN Committee at the Mexican Council on Foreign Trade and Chairman of Mexcham (Mexican Chamber of Commerce in Hong Kong).
