

The launch of CGAIG at Fudan in late July 2025

The Center for Global AI Innovative Governance was officially inaugurated on July 26, 2025, during the opening ceremony of the World Artificial Intelligence Conference (WAIC).

The launch of CGAIG at Fudan in late July 2025

Mr. Amandeep Singh Gill, Under-Secretary-General and Secretary-General's Special Envoy for Digital and Emerging Technologies, visited CGAIG at Fudan on July 27, and spoke to international students who attended the "AI for Peace" 2025 Rong Chang Cup Youth Innovation Competition on Global Governance (YICGG).

On the same day, Ms. Armida Alisjahbana, Under-Secretary-General and ESCAP Executive Secretary visited the Shanghai Academy of AI for Science and was briefed of the academy's newest AI tools for weather prediction, medical diagnosis, sustainable development and cultural-heritage preservation.

Center Highlights : Rooted in China's Practices, Enriched by Global Wisdom

- More effective governance solutions are required to coordinate the development and security of AI.
- Focusing on capacity building, promoting governance coordination.
- Provide a diverse collection of international public products to the world.
- Contribute to forging a global governance framework and standards with broad consensus.
